

## **Centre For Skill Development And Entrepreneurship (CSDE)**

B.V.V.S. Polytechnic established Entrepreneurship Development Cell in the academic year 2001-2002. It was renamed as Centre for Skill Development and Entrepreneurship during academic year 2014-15. The CSDE aims to nurture Entrepreneurship in the minds of diploma students.

The academic institutions play an important role in the economic development of a country as they produce the right type of manpower needed by different sectors of the society. The technical institutions assume greater importance as these produce the technical manpower needed by the industry and R & D institutions.

### **Objectives:**

1. To organize Entrepreneurship Motivation Programs
2. To aid students in initiation of Business.
3. To Promote entrepreneurial culture in the institution.
4. To assist in starting industries of their own
5. To train the under privileged, unemployed, unskilled and semi skilled, youths in technology and make them skilled and employable

### **Activities:**

1. Organize Entrepreneurship Awareness Camps, Entrepreneurship Development Programmes and Faculty Development Programmes.
2. Organize guest lecturers for promotion and growth of entrepreneurship.
3. Organise motivational session by successful entrepreneur.
4. Identifying the students with entrepreneurial tendency through conducting General Enterprising Tendency Test (GET).
5. To conduct skill development training programmes leading to self/wage employment.
6. Orientation session on NISP
7. Workshop on entrepreneurship and innovation as a career opportunity
