ABOUT THE INSTITUTION

Sri. B. V. V. Sangha's (Estd. 1906), B. V. V. S Polytechnic (Estd. 1958) is one of the oldest Government Aided institutions built on an area of 8 acres of land. The polytechnic is an autonomous institute approved by AICTE, New Delhi and offers nine diploma courses: Civil Engineering, Mechanical Engineering, Electrical & Electronics Engineering, Electronics & Communication Engineering, Automobile Engineering, Computer Science Engineering, Electrical Instrumentation and Control Engineering and Commercial Practice. Five courses are accredited by NBA, New Delhi.

The polytechnic has a production-cum-training center to provide hands-on training to the students. The institution has an active Placement Cell, Curriculum Development Cell, Staff Development Cell, Alumni Association, and ISTE Chapter in the campus. A Central Library with 30,000 volumes, state-of-the-art central computer facility, Wi-Fi connectivity, and a green campus are some of the major attractions.

The city of Bagalkot, a district headquarter, is situated on the bank of the River Ghataprabha. It is an important business and educational center in North Karnataka. Bagalkot town is connected by road from Bangalore (500 km), Hyderabad (450 km), Hubli and Belgaum (130 km), Vijayapur (100 km), and Solapur (200 km). The nearest airports are at Hubli and Belgaum.

Bagalkot is surrounded by many historical places of interest such as reminiscences of the Chalukya dynasty at Badami, scintillating stone carvings at Pattadakalu and Aihole, world-renowned pilgrim places of Veerashaivas at Kudal Sangam, the whispering gallery of Golgumbaz and other Adilshahi monuments at Vijayapur, ruins of the Vijayanagar Empire at Hampi, and an elegant dam site at Alamatti (Upper Krishna Project)—all within a distance of 45 km from Bagalkot.

About ISTE

The Indian Society for Technical Education (ISTE) is the leading National Professional non-profit making Society for the Technical Education System in our country with the motto of Career Development of Teachers and Personality Development of Students and overall development of our Technical Education System.

At present, ISTE has a very large and an effective membership base consisting of more than 1,40,000 Life Members, 7,00,000 Student Members, 2706 Institutional Members (including IITs, IISc, NITs and other leading technical institutions), 1400 Faculty Chapters and 1500 Students Chapters and 18 Sections throughout the country and 2 sections outside the country.

Objectives of State Convention

B. V. V. S Polytechnic (Autonomous), Bagalkot is hosting the 5th State Level Student Convention - 2026 for students of polytechnics in the state of Karnataka to provide a platform to exhibit their knowledge and skills in all spheres of Engineering and Technology with a theme.
